

Official Programme!

EDMONTON SENIOR MEN'S
BROOMBALL LEAGUE

EMBLEMATIC OF BROOMBALL SUPREMACY

PRESIDENT'S MESSAGE

Welcome to the 1970-71 season! All indications are that spirits are high and everyone is looking forward to an even more exciting and competitive year. We, the executive, are proud to be a part of the enthusiastic group of players, coaches and sponsors who make up the Edmonton Senior Men's Broomball League.

With the calibre of league play constantly improving, and new players being recruited every year, the league will grow and achieve the popularity it deserves. This is the beginning and we as a league have much to look ahead to in the future. This year the league consists of 16 teams divided into an "A" and "B" division. This is an addition of three teams over last year.

We would like to extend best wishes for the most successful year ever for all the teams, and urge you to support the firms who made this program possible.

M.J. (MIKE) GIRARD, PRESIDENT
EDMONTON SENIOR MEN'S
BROOMBALL LEAGUE

GOOD BROOMBALLING!

All members of City Council, and in fact most of the 430,000 Citizens they represent, remain much in favor of healthy amateur sport in our City. So on their behalf, it's our honor and privilege to congratulate the Edmonton Senior Men's Broomball League, and wish all officials, teams, players and fans the best of seasons in 1970-71.

THE CITY OF EDMONTON

Joan Dend
MAYOR

BROOMBALL RULES

PLAYING AREA

1. Played on a regulation size hockey rink.
2. Goals will be regulation hockey nets.

TIMING

1. A game will consist of two (2) twenty-five (25) minute periods with a five (5) minute rest between periods.

2. Straight-time will be played.

Exception (depending on availability of ice time). The last 5 minutes of the second period of a league game shall be **Stop-Time**.

3. Straight time will be enforced on all penalties (see exception under "Penalties").

TEAM

1. A team will be limited to not more than fifteen (15) players including playing coach or playing manager.

2. The coach or manager will be responsible for submitting a "Line-Up" to the timekeeper prior to the start of a game.

After the game has started any player not included on the "pre-game line-up" on the scoresheet will not be permitted to play until properly entered on the scoresheet line-up via the timekeeper-

3. To begin a game, each team must have six players.

4. A team shall forfeit one (1) goal per five (5) minutes in the event that six (6) players cannot be mustered; up to fifteen (15) minutes; at which time the opposing team will be awarded the game by a score of 3-0.

5. The teams in a game will be distinguished by colors prescribed by the league.

6. Each team must submit a 20 player roster after 4th league game.

EQUIPMENT

1. Brooms will be ordinary house brooms or regulation broomball brooms. All coarse or dangerous parts of the brooms such as wire will be covered by tape or other protective material. Any broom at the discretion of the referee may be disallowed.

2. The ball will be a regulation broomball inflated to a max. pressure of six (6) pounds, min. four (4) pounds.

3. It will be the responsibility of the home team to supply the balls for the game. (Minimum of two (2)).

4. Hockey equipment may be worn with the exception of shoulder pads. Regulation goal shin-pads will not be worn.

5. Footwear will consist of rubber soled shoes, no non-skid materials will be used including liquid applications. A team captain can, at any time, ask the referee to inspect the footwear of any player.

6. All brooms must be cut-off to a bristle length of 10 inches and a handle length of 36" - 40".

THE OFFICIALS

1. There will be at least one referee and one time-keeper/linesman per game to be appointed by the league. Referee's decisions are final. The referee will explain to a team captain, coach, or manager any call in question, but no argument will be allowed. (See also 'Misconduct' under 'Infractions').

THE PLAY

1. The play will start with the ball placed at centre ice, and the referee will whistle the ball into play, at the beginning of each period and after each goal.

2. At any face-off, brooms facing off must be at least six (6) inches from the ball. The six (6) inches will be measured from that part of the ball farthest from the opposing player's end of the ice.

3. The red line will be the point designated for Off-side and Icing, otherwise hockey rules apply including passes covering a distance of two (2) inches.

4. Substitution will be made only from the player's box.

5. Should a ball be hit out of bounds, a face-off will take place at the point where the ball last contacted a broom.

6. A two-minute delay of game penalty will be enforced if the ball is purposely hit out of bounds, in the opinion of the referee.

7. A trapped ball must be cleared by the goalie unless pursued by an opposing player.

The referee will stop the play immediately after the goalie gains possession of the ball **whenever closely pursued by an opposing player.**

- The goal tender will not be allowed to clear the ball any farther than his own blue line.

8. Teams will change ends to begin the final period. The home team will have the choice of ends to begin the first period.

9. If a goal tender leaves the crease he is considered another player (forward or defence) and is subject to the rules applying to such.

10. The broomball may be stopped or controlled with hands, feet or body. The ball will not be passed to another player, or a goal will not be made by this means.

INFRACTIONS

1. **Misconduct:**

- a) 10 minutes to the offending player. Also, the offending player's team to be penalized by placing one player in the penalty box for 3 minutes.

- b) A misconduct penalty will be imposed: on any player who uses obscene or abusive language or gestures, to any

Continued next page

Rules

person, or persists in disputing a referee's decision, or fights with another player, or at the discretion of the referee, any infraction which warrants it.

Assaulting the referee or attempting to do so will not be tolerated and will result in immediate suspension from that game. In addition, when a misconduct infraction does occur in any game, the referee shall submit a written report describing the misconduct, including the offending player(s) involved, to the League President. The League President shall in turn forward the game report to the Rules Committee for further action. A serious misconduct could result in suspension from the remainder of the league schedule.

2. **Holding the ball** – closing hands on the ball, or holding the ball against the boards, or laying on the ball will constitute a minor penalty.

3. **High Brooms** – any player who raises his broom above his shoulder in the immediate vicinity of another player will receive a minor penalty. This includes shooting both the **backswing and follow through**.

"Immediate Vicinity" shall be interpreted as within 5 feet of another player. Initial infractions may be a stoppage in play and a warning only. However, subsequent repetition of this infraction will result in a minor penalty.

Also, an 'uncontrolled swing shot' shall be a minor penalty. (Swinging at the ball with one hand on the broom in an uncontrolled manner).

4. **Holding** – a minor penalty will be imposed on a player who holds another player with his hands or broom or in any other way.

5. **Hooking** – a minor penalty will be imposed on any player who impedes the progress of another player with his broom.

6. **Interference** – a minor penalty will be imposed on any player who in any way obstructs a player who is not in possession of the ball. This includes moving a broom out of

reach of a player who has dropped his broom.

7. A minor or major penalty at the discretion of the referee will be imposed for any of the following infractions, or attempted infractions:

Slashing, spearing, throwing broom, tripping, kneeling, elbowing, charging, cross-checking, butt-ending, delaying game.

8. Liquor or any player under the influence of such will not be tolerated on or near the playing area including the dressing rooms.

NOTE 1. Minor Penalty – a minor penalty will be three (3) minutes straight time with the exception of the 'last 5 minute rule' during which period a minor penalty will be two (2) minutes stop-time.

Major Penalty – Five (5), ten (10) or game, at the discretion of the referee.

NOTE 2. If a goal is scored by the team with the advantage on a penalty, the penalized player may return to the ice.

SCORING

1. A goal will count as one (1) point.

2. A team will be awarded two (2) points for winning a game, and one (1) point for a tie.

3. No overtime will be played except in playoff games. In such case, ten (10) minute sudden-death periods will be added to the game with a five (5) minute rest between each period, until a goal is scored.

4. For the purpose of deciding league standings, the teams with the most game points will playoff according to the prescribed schedule. In the event of a tie in team points between two teams the points for and against with each other will constitute their league standing.

5. The time-keeper will keep accurate records of scores and penalties and submit the game scoring to the league president or vice-president.

6. It will be the responsibility of the league statistician to maintain records of league standings penalties, and scoring.
